OPERATIONS-OFFICE OF APPOINTMENTS AND EXECUTIVE NOMINATIONS

DHMH POLICY 02.08.01

Version Effective Date: August 1, 2003

POLICY ON APPOINTMENTS OF BOARD, COMMISSION, COUNCIL, ADVISORY COMMITTEE, AND TASK FORCE MEMBERS

SHORT TITLE: Appointments to Boards & Commissions

I. EXECUTIVE SUMMARY

Within DHMH, the Secretary or his/her designee, has the authority to appoint, reappoint, or recommend to the Governor for appointment or reappointment members of regulatory/licensing boards and commissions and non-regulatory/licensing boards, commissions, councils, task forces, and advisory committees, hereinafter referred to as "entities". The Secretary may request information on nominees under consideration. Submission of nominees for the Secretary's consideration must follow the procedures designated by the Administrator of the Office of Appointments and Executive Nominations.

The Administrator shall be primarily responsible for recommending nominees, through procedural channels, to the Secretary. The Administrator is responsible for assuring that nominees submitted through the appropriate channels to the Secretary for his/her consideration fulfill the statutory requirements and Departmental criteria for appointment to the respective entities.

II. BACKGROUND

In creating the various entities within DHMH, the General Assembly has given the Secretary the authority to appoint or recommend to the Governor for appointment those persons who the Secretary believes meet the criteria for appointment to each entity. Over the past two decades, the number of entities within DHMH has increased to include more than 700 members. The channeling of nominees for appointment through the Office of Appointments and Executive Nominations provides a centralized capability for the processing of appointments in accordance with legislated and Departmental requirements, as applicable, within the mandated time frame.
